## The Man Hardest to Suit

Is the man worth suiting. We take pleasure in fitting the particular man, the man who insists that his trousers must be just so; that his top coat must be just that length—the right color—and have a graceful hang. That's the chap we want—the one who sometimes find fault, because no fault can be found with our goods.

## Facts About Health

It is Easy to Keep Well If We Know How

Some of the Conditions Necessary to Perfect Health.

The importance of maintaining good health is easily understood, and it is really a simple matter if we take a correct view of the conditions required. In perfect health the stomach promptly digests food, and thus prepares nourishment. The blood is employed to carry this nourishment to the organs, nerves, muscles and tissues which need it. The first great essential for good health, therefore, is pure, rich blood. Now it is certainly a fact that no medicine has such

as Hood's Sarsaparilla. It is literally true that there are hundreds of people alive and well today who would have been in their graves had they not taken Hood's Sarsaparilla. It is depended upon as a family medicine and general regulator of the system by tens of thousands of people. This is because Hood's Sarsaparilla makes the blood pure. This is the secret of its great success. Keep your system in good health by keeping your blood pure with Hood's Sarsaparilla, which absolutely cures when other medicines fail.

"I had pimples on my face and a large boil on one hand. I began taking Hood's Sarsaparilla and after using three bottles I was cured." J. W. JOHNSON, 3 South Broderick St., San Francisco, Cal.
